GOAT OF THE REASON.

When the gold is on the willow and the maple buds are red,
When your feet have grown so heavy that you fear they're made of lead,
When the fever's in your system and you're lazy as the deuce,
And your ever-ready answer is a muffled "What's the use?"
Then it's time to hang the kettle and prepare for making soap,
Just beside the ash-filled hopper on the orchard's sunny slope;
Then the season's full of trouble, in the semi-Southern clime,
For it brings that awful something known as "garden-making" time."

Fallow ground with clouds to crumble, paper bags of onion sets,
Itake and hoe and soil-stained garments and a soul that surely frets
At the prospect of exertion even of the mildest kind,
And your lumping over makes you sort of dizzy like and blind,
Beets and radishes and lettuce, peas and seven breeds of bean,
Poppies, marigolds and larkspurs for the walks and in between;
These the things inseparable from the days that rook with rhyme;
These the tragedies that trouble us in "garden-making" time."
—Baltimore American.

The LEDGER Editor acknowledges, through Captain C. M. Phister, an invitation to join the excursion of the Rivers and Harbors Committee of Congress, which will be here tomorrow morning on its inspection of the Ohio river; and he'll do all he can for "The Old Flag and an Appropriation."

GOLDEN WEDDING

Sister of Maysville Man Has Been Married Fifty Years

Steubenville (O.) Herald-Star.

When Mr. and Mrs. E. G. McFeeley held a reception on Wednesday next from 2 to 10 p. m., at their residence in South Seventh street, the golden May sunshine of fifty anniversaries will have nestled quietly about their pleasant married existence.

They have been long time residents of Steubenville and both are very well preserved. Their many friends can rejoice with them that their lives have been spared so long and their married life has been such a happy one.

Mr. McFeeley is a native of Steubenville, being born here September 1st, 1828. The McFeeley families have been identified with Steubenville since its early days and they have always taken an active and prominent part in the affairs of this city.

Mrs. McFeeley, whose maiden name was Rachel A. Carroll, was born June 27th, 1834, in Beaver county, Pa. They were married May 10th, 1855, in Aberdeen, Brown county, O., by Rev. H. Q. Shannon of the M. E. Church. After the ceremony they came to Steubenville and have ever since resided here.

Mr. and Mrs. McFeeley have four children: Mrs. J. H. Becker of Cincinnati; Charles A. H. McFeeley; Mrs. Joseph Sharp and Miss Lillian McFeeley of Steubenville.

Their many friends extend congratulations and best wishes to this venerable couple and earnestly hope the Lord will spare their lives many years longer.

Mr. McFeeley was engaged in the manufacture of boots and shoes here for twenty years, after which he retired to take up other pursuits. At present he is Treasurer of Steubenville Township and is a popular and efficient official.

This excellent and lovely old couple are held in pleasant remembrance by quite a number of old time friends in this city and Aberdeen, who join with THE LEDGER in extending congratulations and best wishes.

Mrs. McFeeley is a sister of Mr. George W. Oldham of THE LEDGER.

Please bring in your coupons and get a package of Icecream Sugar; it is an article of merit. And don't forget to keep a can of Fernell's Sterilized Cream in the house.

TELEPHONE No. 43. G. W. GEISEL, OPPOSITE OPERA HOUSE.

Mr. Charles B. Pearce passed a restless night, but was somewhat easier this morning.

Don't forget to come to the Third Street M. E. Church tonight at 7:30. Come and help the little ones along. Admission 10 cents.

Joseph D. Pumphrey of Flemingsburg is a candidate for the Democratic nomination for Commonwealth's Attorney in this Judicial District.

Mr. John Duley will lead the Endeavor service at the Christian Church Sunday evening at 6:30 o'clock. All made welcome and the members urged to be present.

MR. ARTHUR HAUGHEY.

After a nine days illness of pneumonia, Mr. Arthur Haughey passed away Wednesday night at his home near Farnleaf.

He was about 50 years of age and is survived by his mother, one sister and one brother. The funeral took place from the Minerva Christian Church at 10 o'clock this morning.

MRS. ROSS P. DYE.

Mrs. Ross P. Dye, nee Miss Fannie Biggers, born near Murphysville February 12th, 1836, died this week at her home in McLean county, Ill.

She is survived by her husband and five children.

TERRIFIC STORMS

Much Damage By Wind and Water in This Section

The heavy rains of last afternoon and evening, accompanied by terrific thunder and lightning, did untold damage in this section, the aggregate loss being altogether unknown owing to the crippled condition of the county telephone service.

Only one line in the entire county withstood the fierce work of the elements, hence it is impossible to get a full report of the havoc wrought.

It was learned, however, that at Lewisburg two large barns on the farms of Harvey Keith and Charles Owens were blown down, and other loss in the locality was considerable.

In the Mayslick neighborhood the rain swept everything before it. Gardens were washed away, the land overflooded and farm buildings generally wrecked.

At Flemingsburg lightning fired the livery stable of W. S. Fant, and four horses perished in the flames.

The damage to the people in this section will undoubtedly reach into thousands of dollars.

Further information is to the effect that the barns of Mrs. F. M. Dobyns near Washington, of Mr. Dan Drenan on Northfork and of Tim O'Connell near Lewisburg were wrecked by the wind.

The three buildings were insured in the Farmers Mutual, the two former for \$400 each and the latter for \$200.

Creeks and streams in the county are on a rampage, while here in the city the gutters are tested to their utmost capacity.

Rain seems to have been general in the Ohio Valley, as the river rose 5 feet in the past twelve hours.

The Maysville Accommodation, due here over the C. and O. at 8:15, had troubles of its own. A flagpole was blown across the track near Dayton, the rails were under an inland sea at Broshears, and just West of the city a big slice of the hillside slid down and buried the track. Workmen were taken on at South Ripley to clear away the debris, and the train bowled in three hours late.

The Eastbound trains this morning were delayed some time at the "narrows," near Manchester, where a great deal of mud covered the track.

Last night the 8:15 L. and N. train came near having an accident. A tree near Marshall's Station had blown down and partly across the track. Fortunately the fender on the locomotive cast it aside without further damage than tearing off the headlight.

A telegram to M. C. Russell Co. from Mr. G. W. Stamper of Vanceburg says the latter had 5,000 ties floated into the river from his place.

The rainfall at this point since yesterday noon, according to Government measurement, is 2.96 inches.

PRICES THAT TALK

We have just made an important purchase which enables us to sell

\$1 WILTON VELVETS AT 75c and 75c BRUSSELS AT 59c.

The Carpets are first class in every way—quality, pattern, color—they are in satisfying quantity to make selection easy and the prices do their own talking of economy. Saving 25c on one yard of velvet carpet seems little but in the aggregate—say on twenty-five yards, \$6.25 is a sum worth considering. Our Window Display gives some idea of these unusual carpet values as to quality, but you must see the whole stock to correctly judge the quantity.

Don't be content to read of this offer. Come in, examine, scrutinize, compare, make any test the shrewdest shopper can devise. The better your knowledge of carpets, the fuller your appreciation of the remarkable lowness of the price on these. In the assortment you will find special hall, stair, parlor and library patterns, many with match border. Seeing an article is more convincing than reading about it. Call on us. It is not an every day chance to find

\$1 WILTONS for 75c and 75c BRUSSELS for 59c.

It was real good of the Chicago mob not to have any extra mobs during the President's visit.

Those Chicago Riot Managers certainly had their gall on tap when they dictated terms to President Roosevelt.

In December last FRANK W. GRAY, a passenger on the South Covington and Cincinnati Street Railway, slipped on a banana peel that had been thrown on the floor of the car. Of course he fell,—who could step on a banana peel and not fall,—and in measuring his length on the floor he hit his arm against a seat \$15,000 worth, as he claimed. The other day he accepted \$500 in full payment, \$495 of which probably went to the lawyer. It is now in order for the S. C. and C. S. R. to demand the prompt killing of the son-of-a-gun who threw that banana peel.

Wisconsin has made a strong bid for immigration. The Anti-Graft Bill recently passed by the Legislature has been signed by Governor LA FOLLETTE and no gratuities of any kind can be given to employees of any firm by outsiders without danger of arrest and fine. While the bill was aimed originally at the practice of paying commissions to employees of large stores or corporations whose influence went a great way in the purchase of goods, it is held that it applies as well to tip giving, and any one feeling a waiter is just as liable as a person giving an employe a present to have him recommend the goods of the giver.

MAJOR ESTES G. RATHBONE, on whose misfortunes Dr. LEONARD WOOD rode into a Major Generalship in the United States Army, is rapidly regaining his fortunes in the West. He is now at the head of the Nevada Trust Company. With the death of his staunch friend and defender, Senator HANNA, Major RATHBONE gave up his fight against the Wood crowd in the Senate, trusting to Time, the great arbiter of all things, to vindicate his name.

That the rancor of partisan bitterness is at last giving way to reason in Kentucky, is most forcibly evidenced in the following tribute to Judge A. M. J. COCHRAN of this city by that sterling Democratic paper, The Louisville Times—

"JUDGE COCHRAN—A PICTURE AND A CONTRAST.

"What the decision of Judge COCHRAN will be after hearing the argument on the application for the removal of the Powers case from the Scott Circuit Court to the United States District Court for Eastern Kentucky, is necessarily a matter of conjecture; but one thing is certain, his decision will be in accord with his ideas of justice and an impartial interpretation of the law.

"Few Federal appointments made in Kentucky have brought to the Bench or public office a man of greater ability, finer character, or truer conception of duty regardless of political, partisan or personal influences than has the appointment of Judge COCHRAN. In all trials at which he has presided he has been the Judge first, a party man afterward. Efforts to prejudice him against the accused on the ground that they were active Democrats have ended invariably in failure and deserved censure for their authors. Cases brought before him are assured of trial on their merits and a decision in accordance with the weight of testimony offered.

"Residents of the Western District for Kentucky may have some difficulty in recognizing this picture of a Federal Judge as true to life, but, fortunately, in the case of Judge COCHRAN there can be no question of the fidelity of the likeness."

One of the most frightful disasters in the history of the Pennsylvania Railroad occurred near Harrisburg at 1:38 yesterday morning. It was caused by a shifting engine which was going slowly when the Engineer of the Eastbound freight saw it coming on his track. He applied the airbrakes suddenly, which caused the middle of the freight train to buckle, shoving several of the cars onto the Westbound passenger track. A moment later the Cleveland and New York Express—with 169 passengers and a crew of 15—one of the fastest trains on the road, came along and dashed into the wrecked cars. The next instant the boiler of the passenger locomotive exploded. The wreck took fire and six minutes after the express struck the freight wreck, the flames reached a car filled with powder. There was a flash and deafening roar. The earth trembled as though some terrible seismic disturbance had occurred. All who were not killed and injured by the explosion fled from the awful scene. At least 25 were killed and over 100 badly injured, many of the former being burned to a crisp. The money loss will be \$300,000.

A MATTER OF HEALTH

An agreement was filed yesterday in the suit of McCann v. McCann, Executrix, taken up from Fleming county, and case continued in the Court of Appeals.

KENTUCKY REDMEN.

Voted Favorably to Establish Widows and Orphans Home.

At the meeting of the Great Council, Improved Order of Kentucky Redmen, at Frankfort Wednesday, the body voted favorably on a proposition to establish a Widows and Orphans Home for the families of deceased members of the Order.

To create a fund for this purpose an annual tax of 50 cents was ordered placed on each member of the Order.

Action as to location and establishment of the Home will be taken at the next annual Great Council.

The newly elected officers were installed by James H. Cook of Montgomery, Ala., Great Guard of the National Council of the Order.

NEW TOBACCO PLAN

A Bunch of Growers and a Broker Have Fixed Things

About twenty-five Burley tobacco growers met Wednesday at the Grand Hotel, Cincinnati, to discuss a manner of organizing for the coming year, with a view to financing a new tobacco deal similar to the one which failed three months ago.

It was proposed to organize a company in each of the thirty-four counties comprising the Burley Tobacco District, such companies to have a capital stock of \$50,000 or over.

This stock was to be taken by the growers in exchange for part of their tobacco.

In addition, a Burley Warehouse Company was to market the tobacco of each of the county companies.

Several objections were offered to the plan, the contention being that the project was unwieldy, and that the county companies could not secure the loan of sufficient sums of money to tide farmers over pending the sale of their crops.

Archibald Stuart, the broker who failed to make the thing go last year, announced that a committee of three, consisting of himself, W. C. McChord and Leonard Drane of Kentucky, had arranged to secure a sufficient loan to finance the proposed new deal directly, instead of through local companies.

He said his committee would report its plan at a meeting which will be held at Lexington some time next week.

Mothers Are Helped

THEIR HEALTH RESTORED

Happiness of Thousands of Homes Due to Lydia E. Pinkham's Vegetable Compound and Mrs. Pinkham's Advice.

A devoted mother seems to listen to every call of duty excepting the supreme one that tells her to guard her health, and before she realizes it some derangement of the female organs has manifested itself, and nervousness and irritability take the place of happiness and amiability.

Tired, nervous and irritable, the mother is unfit to care for her children, and her condition ruins the child's disposition and reacts upon herself.

The mother should not be blamed, as she no doubt is suffering with backache, headache, bearing-down pains or displacement, making life a burden. Lydia E. Pinkham's Vegetable Compound is the unfailing cure for this condition. It strengthens the female organs and permanently cures all displacements and irregularities.

Such testimony as the following should convince women of its value: Dear Mrs. Pinkham: "I want to tell you how much good Lydia E. Pinkham's Vegetable Compound has done me. I suffered for eight years with ovarian troubles. I was nervous, tired and irritable, and it did not seem as though I could stand it any longer, as I had five children to care for. Lydia E. Pinkham's Vegetable Compound was recommended and it has entirely cured me. I cannot thank you enough for your letter of advice and for what Lydia E. Pinkham's Vegetable Compound has done for me.—Mrs. Ph. Hoffman, 100 Illinois Street, Brooklyn, N. Y."

Mrs. Pinkham advises sick women free. Address, Lynn, Mass.

The streets will be in splendid condition for the Cadets Saturday, provided the day is bright and pretty.

Willis Coleman's colored baseball team of this city went to Augusta yesterday and defeated the nine of that city by a score of 3 to 0.

HURT IN CHICAGO

An Ex-Maysville Man Meets With a Painful Accident

Mr. W. C. Richeson, brother of Misses M. E. and Sue and Mr. Ed. Richeson of this city, met with an accident in Chicago last Friday in which he was seriously injured.

He was on his bicycle returning home in the evening, and while wending his way through a crowded thoroughfare his machine collided with a wagon.

The impact unseated him, and falling in a direct line with the moving vehicle the wheels passed over his body.

He was very badly hurt about the head and body, being unconscious for quite a while.

For a time it was thought he was fatally injured, but later news received by his relatives here conveyed the gratifying information that he had recovered consciousness and that his condition had greatly improved.

Mr. and Mrs. Richeson moved from this city and took up their residence in Chicago some ten years ago, and at the present time he holds a lucrative and responsible position in the large wholesale house of E. C. Waller, another native of Mason county.

"D. D. D." the astonishingly effective new Skin disease prescription

Eczema, Salt Rheum, Barbers' Itch, Erysipelas—all eruptions, scaly diseases and parasitic affections of the skin positively cleared away in a hurry. A clean, pleasant liquid (non-greasy) externally applied—sponged or scooped over the parts. Instantly stops all irritation. Soon clears out absolutely all affected conditions.

(Here is a case cleared away with two bottles)

(Case of daughter of Mr. Moss Hartman, permanently cured of a bad skin disease after two bottles only of this D. D. D. prescription)

We vouch for these facts.

They have been proven to us beyond the possibility of doubt.

J. JAS. WOOD & SON, Druggists, Maysville, Ky.

Some weeks ago the astonishing record of this prescription—proven to me by indisputable evidence—induced me to give it my unqualified recommendation to the public. Since then D. D. D. has cured so many who obtained it from me that its record with me has been fully equal to its previous history. I have not seen a single instance of disappointment. It seems to do the work every time. In nine cases out of ten, manifestations on the skin are skin diseases—not blood diseases. Many purchasers formerly mischievous, thinking they had a bad blood disease, have found it was merely a skin affection and have cleared it all away with this prescription.

Among all the known reliable specific medical influences for different ailments I know of very few discoveries so certain in effect as this D. D. D. prescription in its quick conquest of skin diseases of all kinds.

A FEW CURES OF WELL-KNOWN PARTIES.

Chicago, April 7, 1905. "About six months ago my daughter began getting worse all over her body and was gradually getting worse. Nothing seemed to do her any good, although we tried different medicines but without success. She would scratch continually and was a sight to look at. I was asked to try a bottle of D. D. D. remedy, which I did, and to my surprise it worked wonders on her the second day, and before the bottle was empty she was almost cured. The second bottle completely cured her. I will highly recommend your remedy to any one suffering with skin disease. In fact I cannot say enough for it." W. J. FORTY, 215 St. Paul, Minn. "I have been troubled for years with Eczema of the skin and tried a great variety of remedies and cure, with no apparent relief. Doctors were unable to benefit me in any way. A friend of mine gave me a bottle of your D. D. D. remedy to try. Before the contents of the first bottle were consumed I am glad to say your remedy had proved entirely satisfactory, and had cured me. I take great pleasure in recommending it to all and every one suffering from any disease of the skin." E. J. BROWN, (A well-known Chicago business man). "The D. D. D. remedy cured me of Eczema of the skin. I had tried and treated at Hot Springs, Ark. for a week. The hot water irritated me and made me worse. My body was covered with eruptions from head to foot." GEO. GIBERT, No. 250 13rd St., Chicago.

Chicago, April 4, 1905. "I got some kind of a skin disease in a barber shop and tried a half bottle of your D. D. D. remedy and I would say it cleared my skin fine. I asked the druggist for a whole bottle and he says the D. D. D. would be the best thing for me. I thought the price was a little too much, but if I ever have any kind of a skin disease again I am willing to pay ten times as much. I think it is the best remedy in the world for any kind of a skin disease. Yours truly, FRANK W. KOLLE, 14 West Irving Park Boulevard, Chicago.

The preparation is being used by most of the skin specialists. It is compounded for druggists solely by the D. D. D. Company, 70 Dearborn Street, Chicago.

It is utilized by every general family physician who has taken the trouble to investigate the work it is accomplishing.

It is used in the Cook County Hospital, Chicago.

It will clear off any parasitic break if the skin is from 3 days to 60 days' time.

If you have a skin disease visit the above agents and see proofs that will make you a happier human being.

This prescription—already made up in sealed bottles—with authentic label on each. The above concern will fill mail orders at receipt of price.

ABSTRACT OF OPINION

Decision of the Court of Appeals in Mason County Suit

In affirming the suit of Hord, etc., v. Sartain, etc., taken up from the Mason Circuit Court, the following opinion of the Court of Appeals, by Judge Barker, was handed down—

First—Forcible Entry and Detainer—Limitation—Agreement to Arbitrate—Where a writ of forcible entry was sued out after two years from the time the forcible entry complained of was committed, upon the trial of the traverse, a peremptory instruction by the Court to find for the defendants was proper.

Same—Arbitration. An agreement to arbitrate a controversy as to the possession of land, no change whatever in the possession taking place, was not a surrender of possession, and this being true appellants had not the actual possession of the property and therefore there was no forcible entry.

Messrs. Allan D. Cole and Frank P. O'Donnell were the Attorneys for appellants, and W. D. Cochran for appellee.

An item current in the papers a few days ago in regard to an Elder presiding as Moderator of a Presbytery in a nearby city recently, and making special stress of the fact that it was the first known instance of the kind, is erroneous and misleading. Perhaps the first time such a distinction and honor really did occur was some ten years ago, when the Ebenezer Presbytery, South, held its session in the historic old town of Washington and Dr. J. James Wood of this city was elected and presided as Moderator over the deliberations of the session.
